**About neXus Arts:**

The mission of neXus Arts is to combine classical music with other art forms, such as dance, poetry, and the visual arts, in order to add another dimension to each of the pieces presented. The choice of music emphasizes lesser-known works of the past and present that deserve to be seen again, often in a different way, as well as new works. Music is chosen which expresses something about the spiritual condition of humanity, not for any particular political or religious agenda. neXus Arts was established in the state of New York in 1999 as 501(c)(3) not-for-profit corporation.
